## EDUCATION

---

**2017-2020 University of Oxford**  
Philosophy & Theology  
1<sup>st</sup> year: 2:1

**2008 – 2017 Magdalen College School, Oxford**  
A levels: A\* English Literature, A\* Religious Studies, A Geography  
AS levels: A in Spanish  
GCSEs: 10 A\* in English (Language and Literature), Maths, Spanish, French, Biology, Physics, Chemistry, Geography, Religious Studies

## RELEVANT EXPERIENCE

---

- 2019 The Agency, Oxford University**
- I worked as part of a team of six to solve challenges facing local businesses and authorities in the south of England.
  - I worked in conjunction with the NHS, Public Health England, and local councils to expand the reach of educative material surrounding tooth decay and obesity.
  - I negotiated partnerships and sponsorships from local businesses under the direction of clients, and developed and implemented budgets.
  - I worked as part of a team which integrated legacy services within the design of a new app.
- 2018 Work Experience: Privacy & Compliance, Cognizant (August)**
- I performed research tasks in relation to EU GDPR.
  - I presented research information to the Associate General Counsel.
  - I worked under the supervision of the Director of Compliance, where I summarised the UK Government's Fraud Prevention, Anti-Bribery and Corruption Policy, and generated simple case studies intelligible for employees without legal backgrounds.
- 2018 Administration Assistant, Righton Group (September)**
- I visited properties to perform quality assurance checks and risk assessments.
  - I worked as part of a sub-team of four to develop a database in which details about individual properties could be logged and actioned.
- 2017 Insight Scheme – Shipping and Litigation, Reed Smith LLP (July)**
- I performed research exercises based on recent cases, and by consequence I learned of the real-life implications of the law and the level of interpretation and analysis necessary even in the most routine parts of ship financing.
  - I assisted with the preparation of materials for an upcoming litigation case.
- 2016 Marketing Intern (Head Office), ODEON (August)**
- I aided the Memberships team with the creation of ODEON Limitless, as well as preparing a PowerPoint presentation used to present the scheme to directors.
  - I updated the ODEON website and film database regularly.
  - I developed knowledge in marketing and consumer goods.

## EXTRA-CURRICULAR ACTIVITIES

---

- 2019-20 Secretary – Oxford University Drama Society**
- I am the incoming secretary for OUDS 2019-20
- 2017-19 Treasurer - Practically Peter Productions**
- I co-founded a student theatre company and now work with a team of seven to produce termly productions in Oxford.

- As treasurer, I negotiate performance rights and funding agreements, secure £800-900 worth of funding for productions termly, and produce budgets for the productions.
- This term, I ran the development of a partnership with students from the California Institute of the Arts in America.

**2017-18**

**Ethnic Minorities Representative, Oriel College Junior Common Room**

- I listen to the concerns and needs of BAME students in the JCR
- I facilitate socials and events that celebrate BAME heritage and identity, that are open to all, which include a three day long 'Equalities Festival' which hosts a range of external speakers.

**2018**

**Editorial team, Cherwell.org (Michaelmas Term 2018)**

- I was part of the investigations editing team for the Cherwell and oversaw the publication of articles and commissioned research and content.
- As part of this I have become adept in drafting and interpreting Freedom of Information requests. One of my main tasks was selecting the relevant and most important information and presenting it in such a way that tells a clear story to the reader.

**2018-19**

**Freshers' Representative: Oxford University Dramatic Society**

- I have overseen the production of over twenty student productions.
- I advise freshers on their dramatic endeavours.
- I am currently developing a networking and mentoring scheme to connect graduates in the artistic careers with students considering these paths.
